

## PUPIL VOICE Team Meeting Questions

Date: 22.09.21

What do you like doing at / what is your favourite thing about [name of school]?

Some children explained that they enjoy science because it involves a lot of discussion and activities to do things. English is also a favourite, both reading and writing.

The importance of Maths was mentioned as it is needed for life skills.

One nice comment was that they like everything about school, 'especially the staff because they always encourage us.'

What do you think you are really good at doing?

Maths – because I get top marks in my test

Maths also because I'm good at it

English - I'm really good at it

Football - im a good goal keeper

Maths – I know my times tables

Singing – it's really fun

English because I get wow cards

What do you find hard to do? / What do you find a bit tricky?

Can you think of anything that would help you with this

Maths because I only know a little – don't really know – maybe more homework

Reading is tricky – I know I need to do Reading Plus more

Reading tests are hard – I would like more SATs type questions – holiday booster

Writing – I'm slow at writing – my hand starts hurting

Is there anything you don't like doing at school?

Reading – it's hard.

Maths – tricky to do the hard things. I need to understand more.

I don't like reading books, I prefer to read books on a tablet. 17/ 28 prefer reading on tablets, 9/28 prefer reading books

Is there anything about the playground that you don't like?

Football pitch is too small

No grass area

Cannot go in all the places

We would like a climbing frame, but everyone couldn't go on it at once.

When you fall it is rocky and you injure yourself....can we soften the surface.

We need to make sure of respect – good attitude

No slides, swings

Is there anything about playtime, lunch time, assembly that you particularly like or could be improved?

Assembly – can we have chairs and benches?

Can we eat packed lunches in hall to be with friends, also there is mess in the classroom.

If we are all in the hall it is too busy.

Is there anything about what people say/what other children say that could be improved?

People talk over each other

We talk about talking and listening rules – we need to use respect and manners

What sorts of things do you like doing with your friends at school? Is there anything would make these things easier/more fun for you?

Colouring because it is calming.

Talking, to develop Oracy and share ideas

Group work so we can work with others
